## President's Message

My Rotary family:

It's the first week of the year. A time when we remember the year that's past, make resolutions, plan for the year ahead, and just have fun. As we celebrate the start of a whole new Rotary year, for me, one resolution I have made, and try always to keep, is this: "to rise above the little things".

For me, in the words of Ralph Waldo Emerson: " Finish each day and be done with it. You have done what you could; some blunders and absurdities have crept in; forget them as soon as you can. Tomorrow is a new day; you shall begin it serenely and with too high a spirit to be encumbered with your old nonsense."

As we look to the Bowl-a-Thon next month and the Lineman's dinner event in March. We as a club with your efforts will strive to embrace new projects and fund raisers and maintain the Rotary tradition.
